**Monthly Quiz**  
 February 2022 Please donate if you are able

Our second ever quiz had the 2018 **Winter Olympics** as its theme. We've decided to rerun that quiz in a slightly different form for the 2022 Games by turning it into a freeform crossword. 27 of the 28 answers are exactly the same, except that we've substituted something different for PYEONGCHANG (the venue in 2018). The answers are in alphabetical order by clue number, which is why the clue numbers don't run from top to bottom on the grid. (We suggest you pick a number on the grid and then find its clue, instead of trying to answer the clues in numerical order.)
